

RUAB SOLAR SOLUTIONS PRIVATE LIMITED

THINK SOLAR, THINK RUAB

COMPANY PROFILE

ABOUT US

RUAB is an experienced **EPC** company specializing in solar power plants and solar-based solutions. With over **15 years** of cumulative experience in the solar industry, we work with individuals, as well as residential, commercial and industrial clients, on a wide range of projects.

We take **pride** in offering best-in-class **service**, customizable products and solutions, complete life cycle customer **support**, and full transparency in pricing and operations. Our consistent focus on **innovation** and **sustainability** sets us apart in the industry. We look forward to hearing from you or your organization and exploring the possibility of a meaningful collaboration in the future.
